**VOL. 8 NO. 2**

**NEWSLETTER**

**FEBRUARY 1995**

Since the January meeting was canceled due to inclement weather, there are no formal minutes for your review and approval. However, a few items of general information can be brought to your attention.

### ADOPT-A-HIGHWAY

Once again, we had a fine turn out for our highway clean up project. We all had breakfast at Okies and then went out to walk it off. It only took a little over an hour so either we have done such a good job in the past that not much trash can accumulate or the public is getting more conscious about throwing things out the window. Either way, the road stays cleaner which is the object of the whole thing. The next pick up will be sometime in the spring.

### RETIREMENT

On the first of February, our Sr. Vice DON GEE retired from his PR position at the Philadelphia VA Hospital. He really isn't retiring since he's stepping right in to another position in a family business. Best of luck to you Don, just don't retire from the Detachment.

### GENUARDI TAPES

Once again we would like to remind you that the Detachment collects Genuardi Market cash register tapes. They are turned in to the company for a nominal reimbursement which may not sound like a lot but if enough tapes are collected it puts cash into our bank account and we really didn't have to work that hard to get it. So remember, either bring the tapes you have gathered from your family or friends to the meeting or mail them to the Detachment at Box 1372, Doylestown, Pa. 18901. It will be greatly appreciated.

### CAR RAFFLE TICKETS

Another money maker for us are the Dept. of Pa annual car raffle tickets. The Detachment gets to keep .40 from each 1.00 ticket sold, so get out there and sell as many as you can. We have until June to push these tickets and who knows, you or somebody you have sold to may win the car or the \$6000 prize. There are also nineteen other cash prizes so everyone has more than one chance to win. At one dollar per ticket they should not be too hard to sell.

---

**THE NEXT REGULAR DETACHMENT MEETING WILL BE 8 FEBRUARY 95 (1930) AT THE AMERICAN LEGION HOME ON NORTH STREET, IN DOYLESTOWN, PENNA.**

---

From The Desk COMMANDANT - BUDD PEARCE  
Central Bucks Detachment, Marine Corps League

Marines,

During January I attended the Quarterly Staff meeting in Grantville. The Detachment received \$100 for their participation in the VAVS program. We also received a plaque for taking second place in the sharpshooter class at the rifle match. Bill Rosenberger, Ernie Ortze, Don Gee and I all attended the banquet. Don took some pictures that will be in the next newsletter. More info from the meeting will be discussed at our meeting on 8 February.

I have been to a couple of meetings of the Joint Veterans Council of Doylestown. We have been discussing the possibility of having a celebration/ceremony in honor of the end of WWII. This will be held on 6 May at the War Memorial field in Doylestown. I got involved in the planning of this event because I feel it is very important for the various service organizations to work more closely together. This should be quite a success if we can get all the groups to participate fully. I assured the committee that the Marine Corps League can be counted on to give 100%, after all, we are Marines and Marines do everything 100%. I will fill everyone in on the plans made so far at our meeting.

Speaking of our meeting, this month is the month for nominations for officers. As I have said before, if you know of someone that you wish to nominate for an office, please be sure to make this meeting.

Mike Waldron tells me that the Detachment members, and their families, came through again for the clean-up of Hwy. 313 in January. Thanks to everyone for making this such a successful project! The date for our next clean-up will be announced at the February meeting. Do you get the feeling that you better get to the meeting if you wish to know all that we have been up to? Well, you are right!!! If you don't make the meetings you have only this newsletter to keep you informed. Even though Central Bucks has an award winning newsletter, not all the news of the Detachment gets in each month. This is due to time and the fact that I talk better than I type. Sorry about that, but if it makes you come to the meetings I won't bother learning to type better.

We are hosting the S.E. Div. meeting on the 28th of January. By the time you get this it will already have been held. Guess what, if you wish to know what went on you have to come to the Feb. meeting...got you again didn't I.

Well that's it for now, see you on 8 February!

Semper Fi,

*Budd Pearce*

Commandant

## OLD GLORY AND THE U.S. MARINES

The **United States Marine Corps** distributes a booklet on "**How to Respect and Display Our Flag**," to every Marine recruit. It describes the achievements of the Marines since the beginnings of that organization in 1775. Among the highlights in **Marine Corps** records when the Marines carried the flag to remote places are the following:

**Landed in the Bahamas on March 3, 1776**, on their first expedition, bringing with them the **Grand Union Flag** and a **Rattlesnake** flag.

Helped to defend the flag in the sea fight between the **U.S.S. Bon Homme Richard** and the **H.M.S. Serapis**, **September 23, 1779**, when **John Paul Jones** made his defiant retort: "*I have not yet begun to fight.*"

Carried the **Stars and Stripes** to the "**Shores of Tripoli**" where it was hoisted at Derne in North Africa, **April 27, 1805**, the first time our flag was flown over a fortress of the Old World.

Took part in the defense of **Fort McHenry** during the night of **September 13, 1814**, where, on the following morning, our flag inspired **Francis Scott Key** to write the **Star-Spangled Banner**.

Raised **Old Glory** over the **Custom House at Monterey**, California, while U.S. Naval vessels in the harbor fired a twenty-one gun salute **July 7, 1846**.

Marched with General Quitman's division when it entered the "**Halls of Montezuma**," in Mexico City, and hoisted the **Stars and Stripes** on **September 14, 1847**.

Unfurled the national flag at Guantanamo Bay, Cuba, when they landed there on June 10, 1898 and held the surrounding terrain as a base for the U.S. Navy.

Accepted surrender of the **Island of Guam** when, along with the bluejackets of the U.S. Navy, they witnessed the lowering of the Spanish flag, and raised the **Stars and Stripes**, June 20, 1898.

Took part in the special ceremonies when the **Stars and Stripes** were first raised over **American Samoa** in the **Samoan Islands** on **April 17, 1900**.

As a part of the Allied Relief Expedition which raised the siege of the Allied Legations in **China** during the **Boxer Rebellion**, in **July and August, 1900**, hoisted the **Stars and Stripes** over the Walled City of Tientsin in **July, 1900** and over the Tartar City (Peking) **Wall** in August, and later hoisted it on the ruins of **Peking's Chien Men Gate** as a signal to the other allied forces that the Imperial City had fallen.

Fought side by side with the bluejackets of the U.S. Navy when they came ashore at **Vera Cruz, Mexico**, on **April 21, 1914**, later raising the national flag at a special ceremony.

\*\*\*

Throughout the United States at U.S. bases overseas, at American embassies in foreign lands, United States Marines perform the official honors to the American flag. Around the globe the **Stars and Stripes** fly at more than 500 stations where Marines are on duty.

The **Stars and Stripes** which flew over the **United States Capitol** on **December 8, 1941**, when the United States declared war on Japan and on December 11 when we declared war on Germany and Italy, has indeed proved to be the "**flag of liberation**". This same flag went with **President Roosevelt** to **Algiers, Casablanca**, and other historic places, and flew over the conquered cities of **Rome, Berlin** and **Tokyo**.

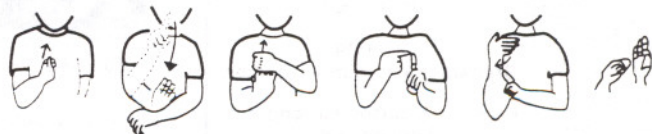

The **Stars and Stripes** that flew over Pearl Harbor on **December 7, 1941**, rippled above the Big Three conference at Potsdam. This same flag was flying over the **White House** on **August 14, 1945**, when the Japanese accepted surrender terms.

The famous picture of Marines raising the flag on Iwo Jima was taken by Marine photographer, Joe Rosenthal, and later made into a monument by sculptor Felix De Weldon. It is in **Arlington, Virginia**, as **Memorial to the U.S. Marine Corps**. The flag flies there day and night by order of **President John F. Kennedy**.
