Marine Corps League of Pennsylvania, Inc.

VOLUME XI, Number 2

FEBRUARY 1998

## Highlights

The Regular Meeting of the Central Bucks Detachment #636 of the Marine Corps League of Pennsylvania, Inc., was held January 14, 1998, at the Albert E. Atkinson American Legion Post #210, 315 North St., Doylestown, PA.

There were 19 members present including all officers except the Senior Vice Commandant and the Quartermaster. Distinguished Marines in attendance included: **National Public Relations Officer Don Gee ; Past Commandants Don Parzanese Sr., Bill Plant, Frank Yore, and Don Gee; Past Commandant of the Department of New Jersey Ed Hoth ; and Marine of the Year Paul Caprio.**

The Minutes of the December Meeting were unanimously approved.

**Paymaster Bob Cody** issued the Paymaster's Report. The report was unanimously accepted.

**Sick & In Distress:** **Past Commandant Don Gee** reported former **Department of Pennsylvania Quartermaster Charlie Horn** had passed away and that the Detachment had sent a sympathy card to his family. Marine Ray Krout was absent from the meeting pending treatment for his heart ailment. Ray's wife, **Mary Alice**, was recovering from a fall.

**Commandant Budd Pearce** reported the Detachment had donated a Christmas Dinner to the destitute family of an active duty Marine. The Detachment had been contacted by the former Associate Chief Nurse at the VA Medical Center in Philadelphia. She stated the family had recently suffered the loss of the father, a disabled veteran, and the family--the mother and two teenaged daughters--was on welfare. The oldest child is an active duty Marine Lance Corporal. She said the family would have no Christmas this year because they had no money. Our Detachment joined with other veterans organizations to provide a Christmas for the family.

**Senior Vice Commandant** -absent. The Detachment has 48 members on the rolls. We have 15 Life Members, 27 Regular Members and 6 Associate Members. There are three members delinquent in their dues.

**Junior Vice Commandant Paul Caprio** reported he was compiling letters soliciting ads for the newsletter to be bulk-mailed to potential advertisers. Bulk mail will save the Detachment about five cents per letter. He also reminded the membership to keep selling raffle tickets for the Department's Scholarship Fund.

1. Military intelligence can be a **contradiction** in terms.
2. Recoilless rifles— **aren't**.

4. The enemy diversion you are ignoring is **the main attack**.
5. If the enemy is within range, **so are you**.
6. Friendly fire— **isn't**.
7. If it's stupid and it works, **it ain't stupid**.
8. When you have secured an area, don't forget to tell the enemy.
9. If you're short of everything except the enemy, then you're in a **combat zone**.
10. Try to look unimportant. The enemy may be low on ammo.
11. The easy way is always mined.
12. Tracers work **both** ways.
13. Incoming fire has **the right of way**.
14. Teamwork is essential. It gives them other people to shoot at.
15. Never draw fire—it irritates everyone around you.
16. No combat-ready unit has ever passed an inspection. No inspection-ready unit has ever passed combat.
17. When you make it too tough for the enemy to get in, **you can't get out**.
18. When both sides are convinced they're about to lose, **they're both right**.
19. Professionals are predictable, but the world is full of dangerous amateurs.
20. Fortify your front and you'll get your rear shot off.
21. When in doubt, **empty your magazine**.
22. In war, important things are very simple and **all simple things are hard**.
23. Don't look conspicuous, **it draws fire**.
24. Never share a foxhole with anyone **braver** than you.
25. You are not **Superman**.
26. Communications will fail as soon as you desperately need fire support.
27. Weather **ain't** neutral.
28. Remember, your weapon was made by **the lowest bidder**.
29. If you can't remember, then the claymore is pointed **towards** you.
30. All five-second grenade fuses are **three seconds long**.
31. The only thing more accurate than incoming enemy fire is incoming **friendly** fire.
32. If your attack is going really well, **it's an ambush**.
33. No OpPlan survives first contact **intact**.
34. If it flies, it dies!
35. When you are forward of your position, the artillery will always be short.
36. Suppressive fire— **won't**.
37. S—t happens.
38. B-52s are the **ultimate** close air support.
39. Sniper's motto: "**Reach out and touch someone**."
40. Peace is our profession; mass murder is **just a hobby**.
41. Killing for peace is like whoring for virginity.
42. There's **always** a way.
43. It's not the one with your name on it you need to worry about, it's the one addressed "**To whom it may concern**."
44. Napalm is an **area weapon**.
45. Smart bombs have **bad days**, too.
46. Mines are **equal opportunity** weapons.

# Why Join the Marine Corps League?

Have you ever been asked, "What is the purpose of the Marine Corps League?"

The Marine Corps League Bylaws state that the purposes are:

(a) to preserve the traditions and to promote the interests of the United States Marine Corps;

(b) to band those who now are serving in the United States Marine Corps and those who have been honorably discharged from that service together in fellowship that they may effectively promote the ideas of American freedom and democracy;

(c) to fit its members for the duties of citizenship and to encourage them to serve as ably as citizens as they have served the Nation under arms;

(d) to hold sacred the History and memory of the men who have given their lives to the Nation;

(e) to foster love for the principles which they have supported by blood and valor since the founding of the Republic;

(f) to maintain true allegiance to American institutions;

(g) to create a bond of comradeship between those in service and those who have returned to civil life;

(h) to aid voluntarily and to render assistance to all Marines and former Marines as well as to their widows and orphans;

(i) to perpetuate the history of the United States Marine Corps and by fitting acts to observe the anniversaries of historical occasions of peculiar interest to Marines.

Now, remember all that because there will be a quiz.

You have the purpose of the Marine Corps League. Now, what has our Detachment done in years past?

The answer is much longer than I can put in this writing but here are a few of the things we have done and keep doing year after year:

(1) we provided food and shelter for a former Marine family of five when their house burned down;

(2) we have helped other Marine families--too many to mention here;

(3) we sponsor and support a large Young Marine unit and its programs;

(4) our Detachment has devoted untold

hours volunteering at the VA Medical Center and working with other veterans organizations;

(5) we have provided food and shelter to homeless and underprivileged people;

(6) we have donated to and supported battered women programs in this area;

(7) we support the Vietnam Veterans of America, the Veterans of Foreign Wars, the American Legion, the Purple Heart Society, and other veterans organizations;

(8) we serve our community, we assist other Marine Corps League Detachments, and we contribute to, assist and support programs designed to help Marines and former Marines.

So, it might seem that our Detachment is a large one with everyone pitching in and working--WRONG!

Less than half our membership attends our meetings. Even fewer take part in our community service programs and fund raisers. Some people feel this is a good

percentage when compared to other organizations which have an even smaller percentage participating in their activities.

We are Marines. We should be leading the way; doing far better than other veterans organizations and much better than we are doing now.

Those Marines who show up at our meetings and take an active part in our programs are deserving of our thanks and appreciation. But, to those of you who read this and are among those who have not participated in the past, I say, "Get into the swing of things! Attend our meetings! Come out to our 'Adopt-A-Highway' clean-up! Help us with our 'A-Day Parking' fund raiser! Act like a Marine and get involved with Marines doing Marine things for our Detachment, our community and our Corps!

You'll be glad you did.

# AAAV Design Center Opens

The Marine Corps has joined defense contractor General Dynamics in cutting the ribbon for a research center that will develop a 21st-century amphibious vehicle.

The planned Advanced Amphibious Assault Vehicle, designed to land Marines on hostile beaches, will move across water at speeds up to 29 mph, three times faster than current landing craft, according to General Dynamics and Marine

Corps officials.

On land, the AAAV will move as fast as 45 mph and be capable of protecting troops from nuclear, chemical and biological weapons, according to General Dynamics.

Within the next year, General Dynamics plans to employ 250 people at the research center, including personnel from the Marine Corps and subcontractors.

Navy Secretary John Dalton and top

executives from General Dynamics said the center is taking a new approach to developing a weapon system. By bringing together the Marines, the designers and the manufacturer under one roof, the process will be more efficient and cost-effective, they said.

Under a \$200 million-plus contract awarded last June, General Dynamics will design, assemble and test three prototype vehicles by 2001.

If successful, the company hopes to manufacture more than 1,000 vehicles with delivery starting in 2005.

## Home on the Range--USMC-Style

And then there were three Marines making themselves at home on the range—in Wyoming.

Marine Forces Reserve activated the Early Warning and Control Detachment of Marine Air Control Squadron-23 in Cheyenne, WY, recently with three active-duty staffers and 23 drilling reservists in borrowed space at the Naval Reserve Readiness Center in Cheyenne.

The Detachment had its first drill week-

end November 15& 16, said GySgt. Thomas Dropp, the Detachment Non-commissioned-Officer-in-Charge.

"The Marine Corps wants to get a unit in every state, and now we're up in Cheyenne and that leaves only one or two states," Dropp said.

Make that three: North Dakota, South Dakota and Vermont are the only states in the nation left without a Marine Corps Reserve unit.
