JULY 1993

Our last Detachment meeting was to be held aboard a river barge, on the Delaware, out of New Hope, Pa.. However, Mother Nature stepped in and said "Not on my river, tonight" and she was right. We got a severe thunder and lightning storm that took top billing for the evening. Consequently, there isn't much in the way of Detachment business to report so we'll use the space for other items of interest.

COLOR GUARD of the Young Marines looked extra sharp in Ft. Washington Memorial Ceremonies.

DRESS RIGHT was the command and the Young Marines did just that while getting ready for the ceremonies held in Ft. Washington by the VVA Chapter 590.

From The Desk Of BUDD PEARCE, Commandant
Central Bucks Detachment, Marine Corps League

Marines,

Since my last letter, the detachment has been involved in a few activities. First, Bill Plant acted as our representative at the rededication of the 104th Reg. monument in Doylestown. The ceremony took place on Saturday, May 29th. I managed to get there, but I missed getting the picture I wanted of Bill laying the wreath.

On Sunday, May 30th, I attended the Memorial Services at the Ft. Washington State Park. This was put on by Chapter 590 of the VVA. It was an impressive ceremony with the main guest speaker being Gen. Sajer from the Pa. National Guard. He spoke to us at the MCL leadership school back at the beginning of May. The Young Marines were in attendance at the ceremony and they, as well as their color guard, did an excellent job.

On Monday, May 31st, the detachment was in the Doylestown Memorial Day parade. We had 20 members present. Our float looked pretty good, but changes are being planned so that next year it will look EXCELLENT. Thanks to everyone that made the parade, it shows your pride in your detachment and the Corps when you participate in these functions. Speaking of parades, I am happy to announce that at the July 14th meeting we will be forming a parade committee. In this way we can plan, in advance, what we will do about float decoration and general parade participation. Any ideas or offers of help will be forwarded to this committee. The chairman will be named at the meeting and I will inform the membership of that person's name and phone number in my next letter.

As everyone is probably aware, the boat ride in June was canceled due to thunderstorms along the river. This trip will be rescheduled for September if possible. I will keep the membership informed as the plans for this become finalized. I have also had a suggestion that we get together a group of 25 or more people that want to see a Phillies game some time in the future. We can get discount tickets for a group of that size. This will be discussed at the meeting in July also.

The Department Convention was on June 24, 25 & 26 in Reading. Our detachment had 6 paid delegates and 1 paid guest. Each of these were given a 50th Anniversary medal which can be worn along with their other MCL medals. Everyone in the detachment is now eligible to wear the Meritorious Unit Commendation (Department Level) as we were awarded this at the convention also. Don Gee has a number of these ribbons, if you want one you must see him at the meeting. The detachment took first place in cat. 1 for our newsletter. A heartfelt thank you and congratulations go out to Bob Schaffer for doing such an excellent job on our newsletter!!! We also won 2nd place for Americanism.

This award includes our scrapbook which was put together by Marine Pat Meyers. Thanks Pat, the book is beautifully done! We received an award for our participation in the VAVS program also. I won't say much about that for now as I am sure that you all know that I feel we should be doing more in this area. I really would like to see our participation increase dramatically over the next year. We could possibly take that 1st place award in Americanism if we had a few more people that would give a bit of their time to the VAVS program.

As you probably know, the elections for State Officers were held at the convention in Reading. The new officers for the Dept. of Pennsylvania MCL are as follows: Commandant, Bob Dile; Sr. Vice, Dave Pavey; Jr. Vice, Bill Davis; Judge Advocate, Terry Bergman; Chaplain, Jim Miller. These new officers sound as if they really want to make the League a better place for all of us. One of the main points of each candidate's platform was the increase of membership and the renewal of our present membership. We did not get our 100% award this year because a few members did not renew. Let's work on this! If you have any ideas how we can get and keep new members I would very much like to talk to you about them. Don Gee, our Sr. Vice, is also at your service to entertain any ideas you may have.

Remember, if you have not been officially sworn into the League, your chance is at the July 14th meeting. We will have a swearing in ceremony for any who are interested. There will be copies of all the information I picked up at the convention available at the meeting also. I try to keep you informed as best I can through these letters, but I can't put everything in here. You have to come to a few meetings throughout the year if you wish to be kept totally informed. If you don't come to the meetings you can't learn what is going on throughout the League. You also don't have a voice in the detachment, the department or in national unless you come out to the meetings and express your views.

That will do it for now...Come to the meetings! Bring along a fellow marine if you can! Show your pride and wear your uniform, if you have one.

Semper Fi,

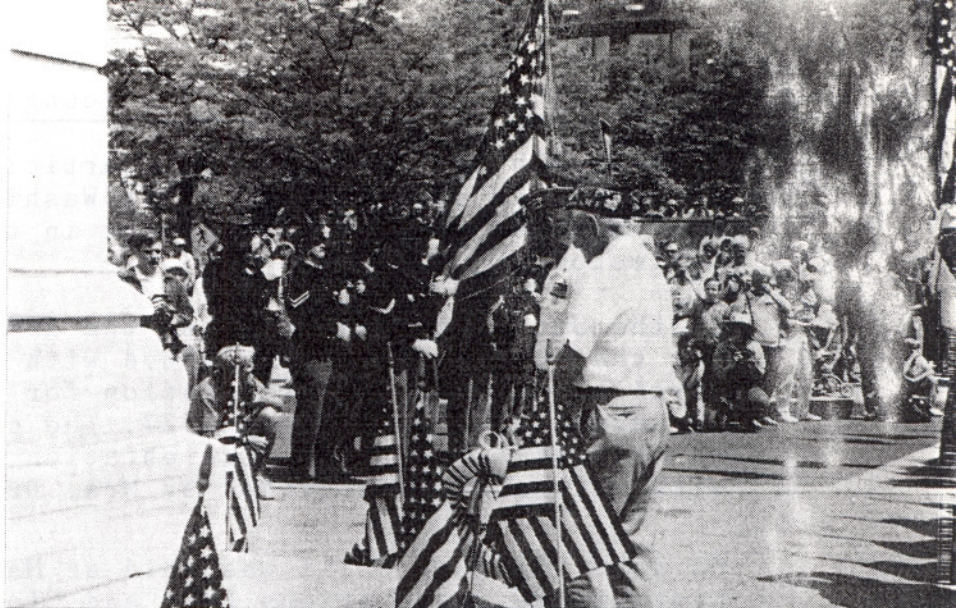

Budd Pearce

Activities of the Young Marines

On May 30th the Young Marines participated in the parade and re-enactment ceremonies at Fort Washington, Pa. and on May 31st. they marched with the detachment in the Memorial Day Parade in Doylestown.

At the June 9th drill held at the Army Reserve Center on Route 611 the young marines continued with their close order drill and physical training in preparation for the upcoming regional meet in Annapolis, MD. on June 25-27. The drill was cut short in order to make time for a small celebration of Walt Roach's birthday, with refreshments provided by Mrs. Drago and Mrs. Larieu.

On June 23rd the drill was held at MAG 49 Willow Grove NAS. Last minute preparations, P.T. and Close Order Drill excersises for the Annapolis Regional Track and Feild Meet were carried out. Sgt. Bankhead set up an obstacle course and ran the troops through the p.t., while Sgt. Kirschner worked with the Color Guard on marching.

SCHOLARSHIP COMMITTEE

The application deadline has passed for those seeking a scholarship grant from the Marine Corps League, and the decisions will be made by the Department Committee at the Department Convention in Reading June 24-26. Hopefully our one applicant will be awarded one of the grants.

Again I would like to remind everyone that for every two hundred dollars that is donated to the Scholarship Fund another grant becomes available to a marine dependent. So if you could find your way clear to make a donation in any amount it would go a long way to helping one of our own.

There isn't very much to report on at this time, however the committee will be getting down to business soon in preparation for the awards presentations to be made at the Marine Corps Birthday Ball in November.

Marine commandant: Military still opposed to gays

WASHINGTON (AP) — Most people underestimate the possible harm from homosexuals serving openly in the military, the Marine Corps' top officer said Thursday. He and other military leaders remain opposed, he said.

Gen. Carl Mundy, commandant of the Marine Corps, said he thinks a compromise will be worked out that will be acceptable to the service chiefs, but he indicated the debate is continuing at the Pentagon.

As for himself, he said, "It's better just to have a clear-cut policy that says: 'This is the way it is — if you must talk about your homosexuality then you probably are better served in another profession than the military.'"

He told defense reporters there is wide agreement among military leaders.

"All of us, more or less, in whatever words we frame it, believe that there is a danger to fracturing cohesion that is not understood by a lot of people," he said.

Still, the four-star general denied suggestions that the service chiefs were bucking President Clinton, who has said the military should not discriminate against homosexuals.

to follow a formulation popularly called "don't ask, don't tell" — meaning the military would end its practice of asking recruits if they are homosexual, and gays would be required to keep their status private.

The policy that existed before Clinton took office last January was that any openly homosexual service member would be discharged. Clinton initially wanted to lift the ban immediately, but because of opposition in Congress he merely imposed a temporary policy of not requiring recruits to answer the sexual status question.

"My position from the outset has been steady as she goes; whatever we are told to do, we will do it, the Marine Corps will execute it," Mundy said. He added, "My own personal views are just about as I've expressed them."

Mundy indicated the Pentagon has not yet worked out details of a new policy, which is expected

Words echoed around the League: Before an individual can be taught to wear their uniform, you must try to get them in it first, then go from there. It's been said, " My, doesn't he/she look great", "Why don't more Leaguers wear their uniforms?", "Aren't they proud of what they represent?"

Our heritage and traditions are something we can be proud of. Remember you wear the eagle, globe and anchor.
