To Whom It May Concern:

The Bucks-Mont Detachment of the Young Marines is an organization of young people between the ages of 9 to 17 years. Our objective is to teach these Young Marines discipline, courtesy, leadership, citizen ship, responsibility and physical fitness.

The Young Marines attend bi-weekly drills at a government installation under the supervision of former Marine Officers. Annual dues of fifteen dollars are paid by each member and there is no compensation paid for anyone's services.

We, therefore, are seeking corporate sponsors to defray expenses involved for parade participation and training trips to Quantico VA Marine Base, Camp Lejune NC Marine Base and Annapolis MD Naval Academy. If your company would be interested in contributing a small sum to support our activities, it would be greatly appreciated by each young Marine. Your assistance would contribute to the future growth of these young people which is the best investment we can make to our future society.

Thank you for your thoughtful consideration in this matter. If you have any questions, please call the writer at 215/361-1632.
